- **Date & time:** 23/07/2026
- **Location event:** INTRACOM TELECOM, 19.7 km Markopoulou Ave., Peania Athens, Greece, GR-19002  
<https://maps.app.goo.gl/z37bJmzF5ino9mS37>  
Building A3, ground floor.
- **Registration:** please register [here](#)
- **Plenary:** Logistic information (see below)
- **Contact person:** Marinela Mertiri, +3- 210 6677256

## Meeting information - Hackfest

- **Date & time:** 24/07/2026
- **Location event:** INTRACOM TELECOM, 19.7 km Markopoulou Ave., Peania Athens, Greece, GR-19002  
<https://maps.app.goo.gl/z37bJmzF5ino9mS37>  
Building A3, ground floor.
- **Registration:** please register [here](#) (different link than for plenary)
- **Hackfest:** Logistic information (see below)
- **Contact person:** Marinela Mertiri, +3- 210 6677256

## How to find us

The meeting will be held at Intracom Telecom premises, building A3, which is located about 20 km south-east of the city center, close to the Athens International Airport “El. Venizelos”, the Attiki Odos motorway and the towns Peania and Koropi.

### Getting to Intracom Telecom from the city center

- Using public transport:
  - Board a metro train (blue line) with direction to the airport and get off at **Koropi** station (Check itineraries [here](#))
  - From “Koropi” station, board the bus #307 and get off at the “**3rd Markopoulou**” stop, which is right next to the main gate of Intracom Telecom complex A. You can use the same ticket you got for the metro train. Check the itineraries [here](#) (in the direction, select: STO.PROAST.KOROPI ->GL.NERA ->ST.D.PLAKENTIAS).
  - Details for purchasing and using public transport tickets can be found [here](#). Despite using the train that reaches the airport, you do not need to buy a ticket to the airport, but a simple ticket. The same ticket is valid also for the bus.
- Using taxi ([low prices](#) compared to many European countries):
  - You may either pick a taxi on the road or book one using mobile apps ([FreeNow](#), [18300](#), [Uber](#) is also only official yellow taxis etc.). We suggest the option of booking. The ride would take 30-45 minutes from the city center. Make sure to mention **Intracom Telecom** and not simply Intracom, which is in another complex, nearby.

### Getting to Intracom Telecom from the Athens Airport

- Using taxi: The ride takes about 10 minutes and costs circa 25€. This is probably the easiest way to reach Intracom Telecom premises from the airport. You may either pick

a taxi on outside the airport or book one using mobile apps ([FreeNow](#), [18300](#), [Uber](#), etc). Make sure to mention Intracom Telecom and not simply Intracom, which is in another complex, nearby.

- Using public transportation:
  1. From the airport train station, board either a suburban train (aka Proastiakos, itineraries in pdf at the bottom of [this page](#)) or a Metro train (itineraries [here](#)). Get off at the first stop ("Koropi"). The ride takes about 5 minutes.
    - From "Koropi" station, board the bus #307 and get off at the "3rd Markopoulou" stop, which is right next to the main gate of Intracom Telecom complex A. You can use the same ticket you got for the metro train. Check the itineraries [here](#).
    - Details for purchasing and using public transport tickets can be found [here](#).

## The Intracom Telecom complex A campus

An **access card** is required to enter Intracom Telecom buildings. Visitor access cards can be obtained at the security personnel stationed at the main complex entrance, after stating your name and purpose for visit (**6G-BRICKS meeting, Organizer Vasileios Theodorou, ext. 7748**).

The meeting will be held at building **A3**.

Intracom Telecom complex A (bus stop is the same for 307 and 310 which is indicated in the picture)

Intracom Telecom buildings A1-A3

## Hotels

You are free to decide on what fits your profile and budget. We suggest picking an option in walking distance to the [Blue Line of the Metro](#) and we'd say close to the city center, so as to be able to combine business with sightseeing. The airport is also close to Intracom Telecom (15 minutes by car/taxi), if anyone prefers an airport hotel.

Note that there is **no hotel within walking distance** of Intracom Telecom.

In case you would prefer to split the distance between Athens' city center and Intracom Telecom, we suggest booking a hotel close to "Panormou" or "Ampelokipi" metro stations. Here are some hotels suggested:

- **President Hotel Athens**, Kifissias Avenue 43, Athens, 11523
- **Athenian Gem**, Dim. Soutsou 44, Athens 11521
- **Best Western Plus Embassy Hotel**, Timoleonos Vassou 22, Athina 115 21

## Other

**Social dinner** will be held on Thursday, **July 23<sup>rd</sup>**, at 20:00, at [Kiouzin](#) city center. The address is [Likavittou 16, Athina 106 73](#). It is close to "Syntagma" (blue and red lines) and "Panepistimio" (red line) metro stations. So, we suggest coming either by subway or by taxi. Parking in the city center is a bit tricky, so, unless you've booked your parking in advance, we don't recommend driving there.
